

2024 Holiday Courses – Helford River

South Bank Pickup Locations

Due to tidal conditions the pontoons at Helford River Sailing Club are not always accessible to us. At some low tides we need to land at a different location for Pickup or Dropoff. Please ensure you are at the indicated location in good time to collect your children.

Please note: the pickup location for the North Bank will always be Helford Passage Beach (Ferryboat Beach).

North Side Ferry Boat Beach

The pickup and drop off point for the North Bank will always be Helford Passage beach in front of the Ferryboat Inn, irrespective of tide. Please meet us on the beach to avoid congregating on the active public road. Please note: we are unable to release children until met by a parent/guardian.

South Side Helford River Sailing Club pontoons or nearby if low tide:

Where the above table indicates that we will meet you at HRSC, please wait on the stone quay at the head of the pontoons. Where the above table indicates that we will meet you at Treath or Golden Gear please walk along the beach to the right of the quay to access these locations. The walk to Golden Gear Steps will take around 10 minutes from the stone quay. Please ensure you allow enough time to get to the appropriate location. Please note - if you are late or unable to make the session start time we may not be able to take you on the session. We are unable to release children at the end of their session until met by a parent/guardian. Any missed timings may affect the course outcome.

We look forward to welcoming you to your chosen CST activity. If at any point you or your child have any concerns, please don't hesitate to let us know and a member of staff will endeavour to resolve your concerns quickly and sympathetically.
