

# Self-Launching T&Cs

When launching your own equipment at Trevassack Lake, please note the following

applies:

- All craft and water users are required to sign in at reception before launching
- The Self Launch fee covers **one** craft for either a morning or afternoon
- Third party insurance is required for all craft being launched
- CST do not take any liability for personal injury or equipment damages unless proved negligent
- All users must adhere to the **CST Code of Conduct** and **Trevassack Lake Safety Policy** (available to view on the Activity Noticeboard)
- All craft must be in a seaworthy condition (CST Staff may inspect craft before being allowed to launch)
- The number of persons onboard must not exceed the manufactures guidance (CST may further limit the number of users on the craft)
- Personal Floatation Devices (Buoyancy Aids or non-inflating Lifejackets) are required to be worn by all water users at all times when on or near the water (CST has kit available for hire)

- Wetsuits: 1 April – 31 October: discretionary to the user between / 1 November – 31 March: where there is a higher risk of immersion wetsuits are compulsory
- Leashes must be used on all SUPs
- Users/Craft must stay in the designated areas and not impede activity sessions taking place
- All U18s must be supervised by an appropriate adult on site, all U12s must be accompanied by an appropriate adult on the water at all times.
- Users must respect other water users and their enjoyment of the site. Any loud or boisterous behaviour will not be tolerated
- CST hold the right to close the water, refuse entry or remove persons from the water at any time
